

Teddy Time,

Ideas to help support your Teddy Tot child's development and learning at home, from week commencing 6th April 2020...

Learning intention: Moving in different ways and developing fine motor skills

Theme: Favourite Rhymes

PD - choose a favourite rhyme to act out, dance, move around to!

Extension task - use streamers/ribbon/scarf hold in a pincer grip and wave about!

CL - singing the rhyme...sing loudly, quietly, fast, slow; in silly voices! Move your mouths, cheeks lips as much as possible.

PSED - think of a rhyme that you can dance, act out, take turns with a partner, e.g. 'Row, row, row your boat, gently down the stream.... if you see a crocodile don't forget to scream!'

L- draw a picture of something from your favourite rhyme, for e.g. 'The wheels on the bus'.

M – practice singing number rhymes...

'1,2,3,4,5, once I caught a fish alive 6,7,8,9,10 then I let it go again'- count whilst stretching out your fingers; individually for each number

Extension: can you count backwards?

UW – Together, look on the internet for images, songs, dances, related to your favourite rhyme, can you find a new rhyme to learn?

EAD – Together, make a simple shaker to use alongside your singing! Use an empty small box or yoghurt pot (actimel containers are perfect for small hands!), add small pieces of pasta or rice and secure with strong tape....shake away!

Please also refer to the other documents sent; for further ideas to support your child's learning at home this week!
